# Relax. Rejuvenate. Recover... whatever your space

The Jacuzzi® story opens a new “city” chapter. A perfect combination of health, design, performance and pleasure delivered in a package that makes no compromise on experience but fully considers the compromise on space that city living requires.

City™ Spa, designed with care to meet the need to save space, transforms a home into a health spa. Compact sizing suitable for city living, comfort lounge seating; to share or enjoy alone and genuine Jacuzzi® hydromassage jets combine to create the perfect urban getaway.

Ideal for small gardens or terraces and sized to fit comfortably through a doorway this hot tub is revolutionary in the true spirit of Jacuzzi® brand and will provide you with the means to get the most out of each moment of life in the city.

City™ Spa freestanding, panels in wood or synthetic wood

City™ Spa built in

## CITY™ SPACES

Designed for urban spaces, City™ Spa has optimised footprint<sup>(1)</sup>, floor loading<sup>(2)</sup> and depth<sup>(3)</sup> meaning that whether your space is garden flat or rooftop terrace you can enjoy the benefits of Jacuzzi® hydromassage.

<sup>(1)</sup> 2.4 m<sup>2</sup> (160 cm x 150 cm)

<sup>(2)</sup> 329 kg/m<sup>2</sup>

<sup>(3)</sup> 75 cm

## CITY™ WELLBEING

Jacuzzi® patented PowerPro® jets are designed to stimulate and deliver the maximum hydrotherapeutic benefits. Add these to City™ Spa and suddenly good things do come in small packages.

## CITY™ SHARING

Small but perfectly formed, City™ Spa features two lounge seats with the option to sit side by side, we're not saying you have to share your Jacuzzi® hydromassage, but if the mood takes you... why not?

## CITY™ VERSATILITY

City living can mean busy living. City™ Spa options have been chosen for both their simplicity and versatility: Freestanding or built in, synthetic or real wood panel and the option to plug & play. Stress free product selection.
